

₹5,500 cr for sugar industry to avert Kairana fiasco in '19

PNS ■ NEW DELHI The total package is of ₹5,538 crore, of which ₹1,375 crore pertains to transport subsidy to millers and the remaining amount will be credited directly to sugarcane growers as production assistance. This has come a day after the UP Govt announced a slew of measures for sugarcane farmers and set November 30 as the deadline for private sugar millers to settle cane dues. This is the third incentives to politically significant sugarcane sectors in the past four months.

For poll transparency, EC to procure VVPATs

PNS ■ NEW DELHI In a move to ensure greater transparency during the polls, the Election Commission (EC) has decided to procure Voter-Verifiable Paper Audit Trail (VVPATs) for all polling stations for the upcoming Lok Sabha elections in 2019. For a smooth electoral process, the EC has begun preparation 13 months in advance. About 50 per cent of the groundwork has been completed as the EC has begun work ahead of schedule. As many as 9.45 lakh units have been produced by the Bharat Electronics Limited (BEL), Bangalore and Electronics Corporation of India Limited (ECIL), Hyderabad till date. The remaining VVPAT units (8 lakh) will be manufactured and supplied to the various States/UTs comfortably before end of November 2018. The Commission had placed an order of 17.45 lakh VVPATs to these two Public Sector Units. The Commission said the poll panel would like to allay any unfounded apprehensions regarding the supply of VVPATs for the Lok Sabha polls in 2019. Even as 17 political parties want the Lok Sabha polls to be conducted on paper ballots and wish to discuss the issue the EC, the polling body has made improvements in VVPAT machine design to rule out any malfunctioning. According to sources, the EC is taking extra care this time to avoid any glitches in the EVM machines and the update comes after the embarrassing situation in Gondia and Kairana bypolls where many VVPAT design faulted on over exposure to heat and light. In other cases, the paper roll had absorbed humidity and failed to move smoothly in the VVPAT system. The EC also stated that the Commission has indeed enhanced the requirement of additional VVPATs from 125 per cent to 135 considering the trend of failure rate of VVPATs in past elections. The Commission has estimated 171 per cent Ballot Units, 125 per cent Control Units and 135 VVPATs requirements for upcoming Lok Sabha elections. "In case of any error in VVPAT, only VVPAT is replaced with the reserve one, whereas, in case of any error in Ballot Unit or Control Unit of the EVM, entire set of Ballot Unit(s), Control Unit and VVPAT is changed, resulting in an increase in requirement of VVPATs than the requirement of Control Units of EVMs," it said.

Sources in the EC said special care will be taken of VVPAT machines - anti-humidity thermal paper rolls have been procured, which will be used in high-humidity polling stations. "These highly absorbent thermal paper rolls will ensure uninterrupted voting in humid areas. The heat-and-light problems will be addressed by way of special hoods that the new VVPATs will come with," said the sources. "The comprehensive and systematic preparatory activities for the Lok Sabha elections, including the detailed First Level Checking of EVMs and VVPATs have already commenced across various States/UTs and will be completed in an efficient, effective and timely manner. First Level Checks workshops and trainings of polling officials are being regularly conducted by the Commission to minimise EVM/VVPAT failures due to human errors," the EC said. For the 2019 Lok Sabha elections, the polling staff will get trained on how to handle the new M3 EVM and the VVPAT machines correctly and as per protocol, so that malfunctions due to human error are minimised.

PROPERTY OWNERS' e-MAIL, CONTACT, AADHAR TO BE ADDED IN JAMABANDI

PNS ■ CHANDIGARH Taking another major leap in providing hassle-free services in a transparent manner, Punjab Revenue Department has decided to incorporate the email address, contact number and Aadhar number of the property owners in the Record of Rights (Jamabandi). The decision will come as a boon to the NRIs and Central Government employees, who are residing outside the state, said the state Revenue Minister Sukhbinder Singh Sarkaria on Wednesday. He said that the Government would charge Rs 1,000 for the facility which would safeguard people's ownership rights and would also make them feel secure from fraudulent sale of their property by swindlers.

"The fear of losing their land due to fraudulent means had become a nightmare for the NRIs. But, this facility would put a full-stop on fraud, forgery and cheating in property sale-purchase as the e-mail and telephone number would be available in the revenue record, which would facilitate the genuine buyers or sellers in contacting each other personally and it would also be a boon for the state exchequer," said Sarkaria. The Additional Chief Secretary-cum-Financial Commissioner Revenue MP Singh said that this facility would also make the procedure of summoning of parties in partition or girdawari cases and even in civil or criminal cases very easy as the summons can be served directly to the party concerned through e-mail or SMS or telephone call. Notably, the Revenue Officers or Courts mostly feel helpless as the proper addresses of the co-shares of the property, to be summoned in revenue court cases, are not available and sometimes because of the vested interests of the private parties, they usually hesitate to provide complete and proper addresses of the other co-shares which ultimately becomes the main cause for the delay in partition and other civil cases.
