If valid bid is not received, the auto-extension will not take place even if that bid might have come in the last 5 minutes. In case, there is no bid in the last 5 minutes of closing of e-Auction, the auction shall get closed automatically without any extension. However, bidders are advised not to wait till the last minute or last few seconds to enter their bid during the auto-extension period to avoid complications related with internet connectivity, network problems, system crash down, power failure, etc.

- The bid once submitted, cannot be cancelled / withdrawn and the bidder shall be bound to buy the secured asset(s) at the final bid price. The failure on part of bidder to comply with any of the terms and conditions of the e-auction notice and Tender Document will result in forfeiture of the amount paid by the defaulting bidder.
