### Introduction

1. We have reviewed the accompanying statement of Unaudited Financial Results of Phoenix ARC Private Limited (the "Company") for the quarter ended 30<sup>th</sup> June 2023, together with notes thereon (the "Statement") being submitted by the Company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement is the responsibility of the Company's Management and approved by the Board of Directors and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34') prescribed under Section 133 of the Companies Act, 2013 ('the Act') as amended, read with relevant rules and relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and related matters and other accounting principles generally accepted in India. Our responsibility is to issue report on these statements based on our review.

### Scope of review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain an assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
